

X FH VIDEOCONFERENCE

SKU: PD032010-P0

A mobile video conference system with space for double displays and a top-mounted video camera can accommodate displays of size up to approximately 40-46". SMS X FH Videoconference has large wheels on a stable mounting, to facilitate movement between the conference room and offices. In addition, it is easy to make fine adjustments of the displays during installation. The camera shelf is ordered separately. Electrical power socket can be mounted at the rear (ordered separately).

The X series is characterised by clean and refined features. The cable holder, for example, into which it is easy to place all cables by hand. The surface finish has also been given extra attention.

NB! For touch displays, please choose our Presence or Func series.
