

# TRF100

## TROLLEY WITH ROTATING HEAD AND HEIGHT ADJUSTMENT FOR SAMSUNG FLIP

High-quality TRF100 video conference trolley designed specifically for Samsung Flip. It looks stylish and modern and also turns the Samsung Flip Display into a mobile presentation tool. The rotating head allows the digital flipchart to be rotated from vertical to horizontal and vice versa at any time. Smooth screen height adjustment ensures functionality and allows the user to adjust image to the room and the needs of the audience. With its high quality casters, the system can be easily and safely moved from room to room. Locked casters ensure safe positioning at the target location. The included shelf provides practical storage space under the Flip.

### FEATURES

- Rotating head allows the monitor to be rotated vertically and horizontally
- Equipped with a shelf for a laptop or other AV accessories
- Seamless screen height adjustment
- Cable management system
- Includes 4 locked casters
