

## MULTI DISPLAY WALL XL

SKU: PW010010

Are you planning on setting up one or several really large displays? This universal wall bracket with modular design allow the easy and secure mounting of displays with approximate size 70"-82", either singly or as video rows. The display or displays can be mounted in portrait or landscape mode, selected during mounting. The module enables the display to be adjusted both vertically and depthwise. The fine adjustment of video rows is very easy. Supplied in a single package.
